# Introduce the TEP to other stakeholders

- **Lower level administration units**
- **All stakeholder involved** in warning dissemination, evacuation support and community preparedness
- **All schools, hospitals and public transportation facilities** in the evacuation zone
- **Tourism operator and hotel associations**

Encourage them to develop their own institutional TEP and disseminate it within their institution

# Introduce the TEP to the public

- Many **different means** can be used
- **Community Meetings** are particular suitable to raise awareness and encourage for personal and neighbourhood preparedness measures
- Training of **local volunteers** who are already involved in the community can help ensuring knowledge and awareness in the long term
- **Media briefings** are important to ensure a good understanding of the plan and procedures and to motivate media coverage
