

UNESCO-IOC ICG NEAMTWS Task Team on Governance

Co-chaired by:

Ignacio Aguirre Ayerbe (IHCantabria, Spain) & Musavver Didem Cambaz (KOERI, Türkiye)

Steering Committee of the Intergovernmental Coordination Group for the Tsunami Early Warning and Mitigation System in the Northeastern Atlantic, the Mediterranean and Connected Seas (ICG/NEAMTWS)

15-16 May 2025 - Turkey

Introduction

During **the SC meeting of the XIX ICG NEAMTWS** held at UNESCO Headquarters, Paris, France, **26 November 2024**, ICG Officers presented to the SC members a proposal for the restructuring of WGs, based on the natural evolution of the ICG and the alignment with NEAMTWS Strategy 2030 and ODTP pillars.

This initiative led to the proposal for the **establishment of a new Task Team on Governance** during the XIX ICG-NEAMTWS Session.

During the XIX Session of the ICG/NEAMTWS the co-chairs were appointed to and accepted by Ignacio Aguirre Ayerbe (IHCantabria, Spain) and Musavver Didem Cambaz (KOERI, Türkiye).

Objective of the TT-Gov during the upcoming Steering Committee (SC) meeting includes the following:

- Agreement/approval of the **TT-Gov Terms of Reference (ToR)**.
- Review, discuss, and, if necessary, amend and approve the **proposal to reorganize the structure of the Working Groups (WGs)**, taking into account all relevant related considerations.
- Defining membership of TT-Gov (proposal, rep. of each WG and TT).
